

“Boarding School” | OSEU 6: Sovereignty & Treaties

Compelling Question	What were Reservation Boarding Schools? What other actions did the US government do to assimilate the people of the Oceti Sakowin?	
Standards and Practices	USEU 6.4 Math Practice 1, 4 and 5	
Staging the Question	Imagine you were taken away from your family at a very young age and taken to a strange place, where no one spoke the same language as you.	
Supporting Question 1		Supporting Question 2
How long were board schools in use?		What are treaties?
Formative Performance Task		Formative Performance Task
Students will articulate how long board schools were in use for students from the reservations across the US. Some research will be involved.		Students will articulate the different treaties presented in the video and answer 2 of questions in the video.
Featured Sources		Featured Sources
Waylon Black Crow		Drs. Sherry Johnson & Nadine Eastman
Summative Performance Task	Argument	Students will write a brief essay on their findings here and how it relates to their life.
	Extension	Students can video interview community members who attended boarding schools.
Taking Informed Action	Show the video to their parents and community members at family nights.
